

AFCEA - Belvoir PEO EIS Industry Day

Ms. Olga Lawrence
Assistant Project Manager
Army Small Computer
Program

Mission and Vision

Mission:

To support the Army Warfighter's Information Dominance objectives by developing, implementing, and managing Information Technology contracts that provide comprehensive hardware and software solutions with Enterprise-focused support services within the Army Knowledge Enterprise Architecture

Vision:

To be the Army Enterprise's single Center of Excellence for commercial Information Technology acquisition through continuously competitive contracts that provide economical, value-added, Networthy IT products and superior, performance-based IT services based on Army and DoD policy and standards compliance
